ALL-MAKES HEAVY-DUTY FUEL TANKS

Alliance Truck Parts has over 30 product lines that serve the commercial transportation industry with reliable new and remanufactured parts and accessories for all makes and all models¹ to keep trucks and buses on the road. All Alliance Truck Parts meet or exceed OES specifications for quality, fit and finish and are backed by a nationwide warranty², which means you don't have to trade quality for price.

Illustrations and photographs used in this catalog may vary slightly from the actual product. Prototype samples are sometimes used for photography. The production parts may vary slightly.

Availability of products shown in this catalog is subject to change without notice.

PARTS NUMBERING SYSTEM

PARTS NUMBERING SYSTEM

The Alliance Truck Parts numbering system is set up systematically:

Example - ABP C0023140PLA16.

All parts numbers in this program contain the prefix ABP and C00 (the company assigned code for this program). The number following the C refers to the part segment and is different for each. The last ten digits are assigned based on part and design.

ABP C0023140PLA16

{ABP C00} Alliance Program Prefix

{23} Diameter in Inches

{140} Capacity in Gallons

{PLA} Fuel Tank Finish

{16} Fill Neck Location

All parts in the catalog are set up with an Alliance Truck Parts number. In the back of this catalog you will find an extensive cross reference list. This will help link another manufacturer's part to an Alliance ABP number.

WARRANTY

WARRANTY

Alliance truck parts are backed by a 1-year/unlimited-mile standard warranty.
